Carl Sandburg Home National Historic Site

Come, enjoy a late summer Amblers club walk in the shade of the Carl Sandburg Farm on Saturday, **August 19th**. You can take your time to enjoy the site, with the poet's home, the goat barn, and a climb up Big Glassy with its wonderful views of the Pisgah Range for the long route.

After the tour of the farm, we will walk through the Village of Flat Rock with interesting shops and good restaurants before returning to our cars.

We will meet to register at the Alternate Start Point, the Quality Inn & Suites, meeting in the parking lot behind the inn starting at 7:30 in order to drive to the farm and start walking about 8:00. Our early walk time in August is in the hope of avoiding excessive heat.

BRING WATER!! Sturdy walking shoes are recommended for the climb, and a walking stick may be helpful.
