

FRANKLIN, NC August 21, 2017

Solar Eclipse 5/10 K walk

If you can't make it to Nebraska August 21 to watch the total eclipse, then join the Asheville Amblers in Franklin, NC for a 5/10 KM traditional event as a viable alternative. We'll commence the event at the Macon County Library at 9:30 AM with a sanctioned, guided walk along the Little Tennessee River which includes a covered bridge, community gardens and the peaceful sound of the river. Then we'll have a bring your own picnic lunch and be set to enjoy this rare phenomenon. Because of the strong outside interest in viewing the total eclipse in Franklin, periodically check the [Ambler website](#) or [Facebook page](#) for more information and updates. For any questions, contact Judy Michele at jumianc@aol.com or 828-628-4343.
