## **Virginia Creeper Bike Trail**

Here's another fantastic event that Amblers can take part in - our annual bike trek from the top of Whitetop Mountain down to Damascus, VA on Thursday, September 21. We enjoy some great views complete with fall colors, lunch at an old railroad depot, stop for homemade chocolate cake and maybe even another stop for homemade ice cream on this easy downhill 27 KM ride.

No bike - no problem. We'll meet at Blue Blaze Bicycle & Shuttle Service, 226 W. Laurel Ave, Damascus, VA 276-475-5095 at 10 AM and take a shuttle to the top of the mountain at 10:30 AM. You can rent a bike and shuttle ride for \$27 (\$16 for shuttle if you have your own bike). Call ahead to the above number to reserve a bike and shuttle ride. Be sure to tell them the 10:30 shuttle.

Dennis Michele will be driving his van for anyone who wants to car pool. We'll meet at the Ingles at the New Stock exit off I-26 at 7:30 for departure no later than 8 AM. We'll stop at a Subway near Abington for those who want to purchase a lunch. We should be back home before 6 PM.

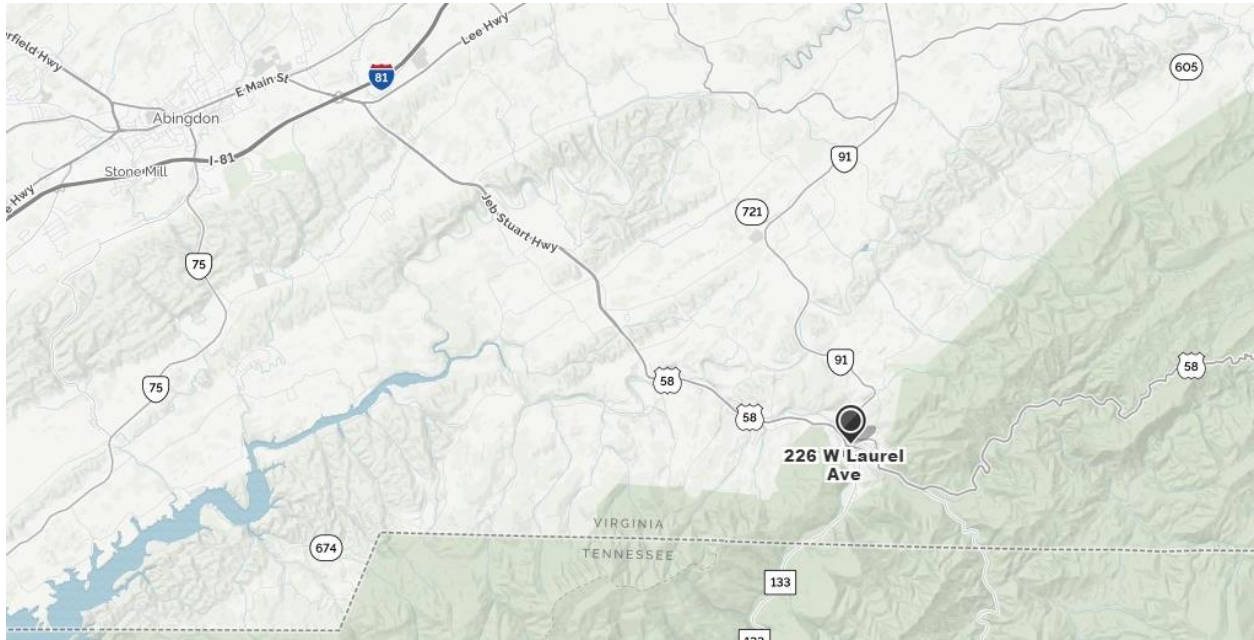

Contact Dennis with questions about the carpool or bike trail.
